CWBA UPDATE SEPT 2017

Claire Baker - Executive Officer

The CWBA manage declared pests currently prioritising on wild dogs, foxes and rabbits. Landholders will need to have a current approved permit for pest control on their property.

The inclusion of Morawa will now include feral pigs into a revised Operational Plan.

The CWBA AGM was held on the 28th August with a good mix of full, associate and industry members attending.

REPORTING STOCK ATTACKS

To ensure coordinated control cross our
area of management (Koorda,
Dalwallinu, Perenjori and Morawa) it is
important that any stock attack, tracks,
dog sightings or the like are reported to
the CWBA Dogger Coordinator.

Any community member can take part
and be aware of the procedure for
reporting, without a community approach
our operations can be limited.
